

Ferretts IPS Liquid is for use as a dietary supplement.

Each 1 ml contains: Elemental Iron 2.67 mg
Each 15 ml contains: Elemental Iron 40 mg

Suggested Adult Use: 15 ml daily or as directed by your health care professional.

Iron Protein Succinylate is a proprietary stabilized iron compound. The iron is wrapped in a casein protective layer which allows the iron to pass through the stomach to the intestinal tract for immediate safe and efficacious absorption.†

Caution: If you are pregnant or nursing a baby, seek the advice of a health care professional before using this product.

DO NOT USE IF TAMPER EVIDENT SEAL UNDER CAP IS BROKEN.

†*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*
