

Daily Essential Nutrients provides the solid nutritional foundation your brain and body need to perform optimally. It is backed by more independent mental health research than any other vitamin-mineral formulation. Count on it to deliver unmatched results because it is:*

- ✓ **Complete.** Daily Essential Nutrients delivers every essential vitamin and mineral you need to fortify your body against chronic stress, anxiety, depression, and brain cell degeneration.*
- ✓ **Balanced.** The level of each ingredient is calculated to maintain the natural ratios of nutrients in your body that promote optimal cognitive function, mental clarity, focus, and mood stability.*
- ✓ **Optimized.** NutraTek™ mineral chelation maximizes bioavailability, absorption, and delivery, enabling nutrients to cross the blood-brain barrier, enhancing neuron structure and function.*

For best results, consult a Health Professional trained in the use of multi-nutrient therapy (GetHardy.com/hp) or a Hardy Nutritionals® Product Specialist.

Suggested Use:* Studies show 12 or more capsules per day is often required for optimal results. Start with 1 capsule 3 times daily, and increase to 4 capsules 3 times daily. Take with food. Store in a cool, dry place. Do not use if seal is broken or missing.

Caution:* As Daily Essential Nutrients balances the body, other supplements, medications, and recreational substances may no longer be needed, and as a result, their side effects may increase. If this happens, they will need to be appropriately reduced, and in many cases, gradually discontinued. Regularly monitor the side effects of each medication you take. Consult with a physician before adjusting any prescription medication. For more information visit: GetHardy.com/meds.
