Amsterdam, NL

**Directions:** 1 heaped teaspoon (approx. 5 grams) or as professionally directed, stirred into water, or blended into a smoothie. Take daily with food.

This product should not be used as a substitute for a varied diet and healthy lifestyle. Do not exceed the stated recommended daily intake. Do not purchase if the seal is broken. Keep out of reach of children. If you are under medical supervision, please consult a doctor before use. This product contains vitamin A. Do not take if you are pregnant or if you are likely to become pregnant except on the advice of a doctor or ante-natal clinic. Excessive consumption may produce laxative effects. Store in a cool, dry place. Avoid direct sunlight and heat. Contains a desiccant (small orange capsule) to absorb moisture, we recommend that you keep this in the jar. For best before and batch, see below.

**Vitamin A contributes to the maintenance of normal mucous membranes and the function of the immune system. Vitamin C and zinc contribute to the protection of cells from oxidative stress. Vitamin C supports collagen formation.**
