Liquid Collagen & Hyaluronic Acid is a unique & high potency combination of hydrolysed marine collagen with hyaluronic acid & vitamin C for healthy skin.

- **8000mg** of hydrolysed marine collagen per daily dose
- **Type I collagen**, the most abundant form of collagen in the body
- **Hyaluronic acid** is found at high concentrations in the skin
- **Vitamin C** aids collagen formation and protects the skin from oxidative stress
- **Utilising a clinically researched** form of type I collagen
- **Great tasting** natural mango & orange flavoured liquid
- **Easy to take**, drink directly from the sachet
- **Sustainably sourced** collagen, certified to the Aquaculture Stewardship Council (ASC) standards

Vitamin C contributes to normal collagen formation for the normal function of bones, teeth, cartilage, gums, skin & blood vessels & to the protection of cells from oxidative stress.
