

Suggested Use:

We suggest you take one capsule, two times per day. This product may be taken in a 4 week or an 8 week cycle depending on desired results. This intense muscle building stack is intended for use by hardcore athletes who are trying to gain extreme size and strength.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

WARNING: NOT FOR USE BY FEMALES OR ANYONE UNDER THE AGE OF 21. DO NOT USE IF PREGNANT OR NURSING. Consult a physician prior to using this product if you have or have a family history of prostate cancer, prostate enlargement, heart disease, low "good cholesterol" (HDL), or if you are using any other dietary supplement, prescription drug, or over the counter drug. Do not exceed serving recommendations. Exceeding serving recommendations may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician immediately if you experience rapid heart beat, dizziness, blurred vision, or other similar symptoms.

KEEP OUT OF REACH OF CHILDREN.

Nu-Test is natural anabolic enhancer that contains only natural ingredients derived from plants, herbs, minerals and vitamins. It is potent, yet safe, and contains only the highest quality natural anabolic compounds available. This product was developed to support the body's natural (endogenous) production of total testosterone all the way up to high/normal (1200 ng/dl) levels, but works in a way that is safe and non-inhibitory. 90 capsules / 30 day supply
