

Contains the most full spectrum frankincense (*Boswellia*) resin. It has the highest concentration of its most active component AKBA (90% AKBA as opposed to 2-3% AKBA normally available in other preparations)! Bioperine™ and rhythmically prepared myrrh and gold added to increase bioavailability and overall effectiveness.\*

Contains no milk, eggs, fish, Crustacean shellfish, tree nuts, peanuts, wheat, sesame, or soybeans. Gluten free. Vegetarian capsules.

Consult your health care provider before using this product if you are pregnant, lactating or have other medical concerns or compatibility issues.

Do not use this product if allergies to the listed ingredients are known to exist or if any adverse effects result after taking the first dose.

This product contains a desiccant package, which should not be eaten. Keep desiccant in the bottle until all tablets have been taken. Keep out of the reach of children.
