

POST-CYCLE-THERAPY (PCT) WORKS IN THREE WAYS:

1) It stops the body from forming the aromatase enzyme which the body uses to convert androgens to estrogen**

2) It restarts the body's natural production of estrogen**

3) It contains powerful antioxidants that help enhance liver health**

SUGGESTED USE: We suggest you take one capsule, four times per day. This product may be taken in a 4 week or an 8 week cycle depending on desired results.

Do not take Next Stage 10 in excess of its recommended dosage. Next Stage 10 is intended only for healthy adults over 21. Consult a licensed health practitioner before use. Do not use if you are currently pregnant or nursing, have had or have a family history of heart disease, high blood pressure, stroke or any other diseases, or using an MAOI, prescription drug, or over-the-counter drug. If you are a competitive athlete and/or are subject to drug testing, consult with your sanctioning body prior to use to ensure compliance. Discontinue use immediately if you experience any adverse reactions.

*Thirded Nutrition does not guarantee these claims. Results will vary.
