

Vitamin D is essential for calcium absorption, optimal bone density and numerous other physiological functions. A special synergy is created here with Lightroot™ and trace minerals. Bioperine® added to improve absorption.

Contains no milk, eggs, fish, Crustacean shellfish, tree nuts, peanuts, wheat, sesame, or soybeans. Vegetarian capsules. Gluten free.

Consult your health care provider before using this product if you are pregnant, lactating or have other medical concerns or compatibility issues.

Do not use this product if allergies to the listed ingredients are known to exist or if any adverse effects result after taking the first dose.

This product contains a desiccant package, which should not be eaten. Keep desiccant in the bottle until all capsules have been taken. Keep out of the reach of children.
