

TruFloraPRO™ is a high potency probiotic supplement containing 15 billion live CFU* and 2 enzymes that work primarily in the small intestine to support digestive and immune health.† Each batch is laboratory tested to meet strict quality control standards; guaranteed at time of expiration when kept refrigerated.†

SUGGESTED USE: Take 1 capsule daily. Take 2 capsules a day for additional digestive support. TruFloraPRO can be taken with antibiotics; separate by 2 hours.

WARNING: If you are pregnant, nursing, on medication or have any medical condition consult a health care professional before using this product. Discontinue use and consult a doctor if any adverse reaction occurs. Keep out of reach of children.

††These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
