

SUGGESTED USE: Begin with 2 capsules per day (1 capsule upon rising and 1 capsule mid afternoon) and work your way up to 3 capsules per day max. This product may be taken in a 4 week or an 8 week cycle depending on desired results. This intense muscle building stack is intended for use by hardcore athletes who are trying to gain extreme size and strength. We suggest the use of a PCT and liver cleaner after use of this product.

WARNING: CONSULT YOUR PHYSICIAN BEFORE USE. Do not exceed recommended serving. Do not use this product if you are at risk for or are being treated for high blood pressure, heart, kidney, thyroid or psychiatric disease, anxiety, depression, seizure disorders, strokes, or any other medical condition. May increase serum hormone levels which could produce a positive result if you are subject to steroid testing. Do not take this product if you are using anti-depressants, MAO/MAOI inhibitors or any other prescription drugs or if you are pregnant or nursing. Not for use in age persons under the age of 21. Discontinue use and call a physician or a licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other similar symptoms. Possible side effects include kidney and liver damage, acne, hair loss, aggressiveness, irritability, increased levels of estrogen. Must be taken with proper organ support and post cycle therapy.

KEEP OUT OF THE REACH OF CHILDREN.
