

Suggested Use: As a dietary supplement, take two (2) capsules per day with food and an 8 oz glass of water, or as directed by your physician.

Potency: 100% Pure and Potent Tribulus Optimized for 45% Steroidal Saponins Standardized Extract

How it Works: Tribulus contains Protodioscin, a Steroidal Saponin, which supports levels of the hormones testosterone, dihydrotestosterone and dehydroepiandrosterone (DHEA). Shown to successfully promote your body's natural production of testosterone, resulting in improved muscle mass, fat loss, strength, endurance and athletic performance.*
