

CurCousin™ is the only clinically studied Calebin-A, a natural plant molecule related to curcumin, derived from Turmeric root (*Curcuma longa*). Calebin-A has been demonstrated to promote healthy metabolism by supporting normal glucose and lipid levels, liver function and optimal body composition.\*

BioPerine®, a standardized source of piperine from black pepper fruit, has been clinically proven to increase absorption and bioavailability of nutrients and phytonutrients, including Calebin-A.\*

**Suggested Use:** Take one (1) capsule with a meal twice daily, or as directed by a healthcare professional.

**Precaution/Warning:** Do not use if bottle seal is missing, torn or damaged. If you are pregnant, nursing, taking medication or have a medical condition, consult your physician before using any dietary supplement. Store in cool, dry place.

**Keep out of reach of children.**
