

Paradise Maca Up® vegetarian energy protein is a complete source of vegan, hypo-allergenic protein with a balanced amino acid profile derived from certified organic brown rice and certified organic pea. Pea protein is easily assimilated and has a sustained release transit time, which means it has excellent digestibility and keeps working. We have further enhanced our formula with the addition of the plant derived enzyme Aminogen®. Research shows Aminogen® increases branched-chain amino acids by 250%, plasma amino acid levels over 100% glutamine levels by 90%, arginine levels by 80%, and nitrogen retention by 32%. It also promotes lean body mass, aids in muscle recovery, and may provide less gas, bloating and constipation.**

Paradise Maca Up® also contains a great source of heart healthy Nutrim® Organic Oat Bran fiber. Maca has been used for centuries by the people of Peru for its amazing energy and stamina qualities.**

100% vegan non-GMO. Contains **NO** gluten, hemp, soy, dairy, casein, animal products, or common allergens.

WARNING: This product is sold by weight not volume. Keep in a cool dry place, out of the reach of children. If you are pregnant, nursing, taking any medication or have a medical condition, please consult your healthcare practitioner before taking any dietary supplement. California residents only: **WARNING:** This product contains a chemical known to the State of California to cause birth defects or other reproductive harm. As part of the natural growth process plants absorb elements, such as lead from the soil. California law requires the above warning when certain chemicals such as lead are detected. This product and all Paradise products comply with all Federal safety regulations.
