Premium Fish Oil

Paradise Omega-Sure Premium Fish Oil is sustainably sourced from EPAX[®], a leading global brand in Norway. It is a natural triglyceride form that is pesco-vegetarian and gelatin free. More bioavailable and stable than synthetic ethyl esters, Omega-Sure[®] is ultra pure, third party tested and guaranteed to meet or exceed all known purity standards for pollutants, pesticides and heavy metals. (e.g. pcb's, dioxins, furans, mercury, lead and other contaminants). This ultra purity helps eliminate the unpleasant fishy taste, odor and repeat effects often associated with many other fish oils.*
