

Award Winning Patented ORAC Energy® Greens Formula

ORAC (Oxygen Radical Absorbance Capacity) Energy® Protein & Greens is the next generation of superfoods. Just one serving contains 20 grams of protein, the antioxidant power of over 24 servings of fruits and vegetables and a total ORAC score of over 40,000.**

Pea protein is easily assimilated and has a sustained release transit time, which means it has excellent digestibility and keeps working. We have further enhanced this with the addition of the plant derived enzyme Aminogen®. Research shows Aminogen® to increase branched-chain amino acids by 250%, increase plasma amino acid levels over 100%, increase glutamine levels by 90%, increase arginine levels by 80%, increase nitrogen retention by 32%, promote lean body mass, aid in muscle recovery, and may provide less gas, bloating and constipation.**

WARNING: This product and all Paradise products comply with all Federal safety regulations. This product is sold by weight not volume. Keep in a cool dry place, out of the reach of children. If you are pregnant, nursing, taking any medication or have a medical condition, please consult your healthcare practitioner before taking any dietary supplement. California residents only: **WARNING:** Consuming this product can expose you to chemicals including lead, which are known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food. As part of the natural growth process plants absorb elements, such as lead from the soil. California law requires the above warning when certain chemicals such as lead are detected.
