

Quality • Purity • Potency

Paradise products have won over a decade Best of Supplements Awards. We are dedicated to sourcing premium ultra pure ingredients that meet the highest standards of excellence. Paradise V-Glucosamine is a non-shellfish vegetarian source of glucosamine. Until recently, glucosamine was only available derived from shellfish waste, which in some people can cause allergic reactions.*

Glucosamine is a key building block for connective tissue and cartilage. It contributes to the cushioning nature of the joint fluids and surrounding tissues. Glucosamine is a dietary supplement used to help increase flexibility and help promote overall joint health.*
