ITEM #: 20002

COLOSTRUM, is produced by mammals immediately after birth as a highly nutritious food for the newborns. This food supplement is known to be high in lactoferrin, immunoglobulins and many other factors that are known to support a healthy immune system and maintain lean muscle tissue. COLOSTRUM is also known to help the absorption of nutrients into the body.

DIRECTIONS: Adults take 2 capsules every morning with about 8oz of water.
