2 fl oz (60 mL)

To ensure maximum freshness, **Baby's DHA** is closely managed from sea to store. We source the highest quality, deep, cold-water fish off the coast of Norway using traditional, sustainable methods. And like all Carlson Omega-3s, Baby's DHA is tested by an FDA-registered laboratory for freshness, potency, and purity.

Traceable DHA: Scan the QR code below, and enter the lot number from the bottom of the bottle to trace this product back to its source.

Certified Sourcing

www.sfiprogram.org
