

**PROTOCOL
FOR LIFE BALANCE®**

Biotin

5,000 mcg

- Normal Glucose Metabolism*
- Healthy Hair, Skin & Nails*

90 Veg Capsules

A Dietary Supplement Vegetarian/Vegan

SUGGESTED USAGE: Take 1 capsule daily, or as directed by your healthcare practitioner.

HOW IT WORKS: Biotin is a water-soluble vitamin necessary for cell growth, the production of fatty acids, and the metabolism of fats and amino acids.* It also plays key roles in gluconeogenesis and fatty acid synthesis, and is therefore critical for maintaining proper glucose and lipid metabolism.* In addition, biotin is known to be important for healthy skin, hair and nails.*

CAUTIONS/INTERACTIONS: Certain anti-seizure medications (such as carbamazepine, phenobarbital, phenytoin, primidone, and valproic acid) and long-term antibiotic therapy may increase the body's need for biotin. If you are taking any of these medications, consult your healthcare practitioner before using this product. This product contains biotin which may interfere with some blood test results. Go to protocolforlife.com/biotinlab for details.
