

D-Mannose is a monosaccharide hexose sugar that is part of the family of sugars in the aldohexose series. It is a sugar made by plants and is primarily found in cranberries, apples, peaches, and raspberries, among other plants. D-Mannose can help maintain a healthy urinary tract. It is also considered to be a supporter of liver and intestinal function.*

Superior Labs **D-Mannose** capsules contain 500mg pure D-Mannose, with absolutely no magnesium stearate, dioxides, preservatives, or other potentially harmful artificial ingredients of any kind.

Suggested Use: As a dietary supplement, adults take 1 capsule two to three times per day or as directed by your health care practitioner. Best when taken with a meal.

Caution: Do not exceed recommended dosage. Please consult a physician before consuming this product if you are pregnant or nursing, taking medication or have a medical condition. Not intended for use by individuals under the age of 18. Store in a cool, dry place. Do not use if safety seal is damaged or missing. **KEEP OUT OF REACH OF CHILDREN.**
