

Zyme Prime from HOUSTON ENZYMES

ITEM NO. HN002-S90

Zyme Prime may be helpful for the digestion of complex carbohydrates, triglyceride fats, starches and proteins. Contains lactase to aid those intolerant to lactose. Helps prevent gas and bloating.† Zyme Prime was developed by Dr. Devin Houston, PhD enzyme biochemist.

SUGGESTED USE: One (1) capsule at the beginning of each meal. More capsules may be taken as desired. Capsules may be opened and contents mixed with food or beverage.

Do not use if tamper-proof seal is broken. Keep container closed and store at room temperature or in freezer, but do not place in refrigerator due to humid conditions.

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
