†Percent Daily Value based on a 2,000 calorie diet.

\*Daily Value not established.

**Other Ingredients:** Softgel (Gelatin, Glycerin, Carob), and Duralox® Proprietary Blend (Ascorbic Acid, Natural Flavor and Highly Refined Soy Oil).

**Discussion:** Flaxseed Oil is made with organic flaxseed and offers one of nature's most plentiful sources of omega-3 fatty acids with a healthy complement of omega-6 and omega-9 fatty acids. To help maintain potency, the Solaray® brand has included Duralox® oxidation inhibitor, a natural antioxidant system, to help control lipid peroxide levels. Flaxseed oil contains compounds known as lignans. Lignans are phytoestrogens. Solaray® Flaxseed Oil is 100% expeller pressed, unrefined and unfiltered to provide the purest form available. No solvents have been used.

Duralox® is a registered trademark of Kalsec Inc.
