Signature Supplements

GARCINIA
CAMBOGIA
WITH POTASSIUM

GARCINIA CAMBOGIA This supplement is extract rich in HCA, also known as hydroxycitric acid, which is a fruit from India. Researchers conducted studies that shows HCA supports weight management without affecting the nervous system, a common effect with stimulants. They also saw that HCA helps the body inhibit the conversion of carbohydrates into fat.*

DIRECTIONS: For adults, take 2 capsules daily, preferably 20 to 30 minutes before a meal. As a reminder, discuss the supplements and medications you take with your health care providers.
