Supplement Facts

Serving Size 1 VegCap

	Amount Per Serving	% Daily Value
Niacin	250 mg	1,563%

Other Ingredients: Whole Rice Concentrate (Including the Bran, Polishings, and Germ), Vegetable Cellulose Capsule, Cellulose, Magnesium Stearate, Silica and Stearic Acid and Aloe Vera Gel.

Discussion: Niacin, or Vitamin B-3, is a necessary part of the body's pathway for converting carbohydrates, fats, and proteins into energy. Niacin may support energy production (metabolism). This two-stage, timed-release formula is designed to release half of the niacin rapidly and the other half gradually over a period of up to 8 hours,** which may help extend the availability of the niacin to the body over a longer period of time.†

**Based on in-vitro dissolution tests designed to simulate the digestive process. Individual results may vary.
