Isoflavones are unique polyphenol compounds which are found in the soybean plant. Research suggests that soy protein and soy isoflavones may reduce the frequency and severity of hot flashes during menopause. Source Naturals **GENISTEIN SOY COMPLEX** contains 40 mg of SoyLife® isoflavones per serving which are naturally occurring and come from non-GMO soy.*

Suggested Use: 2 tablets twice daily with a meal.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, corn or wheat. Contains no starch, preservatives, or artificial color, flavor or fragrance.

SOYLIFE® is a registered trademark of IFF or its affiliates.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
