**Supplement Facts**  
Serving Size 2 VegCaps  
Servings Per Container 90

	Amount Per Serving	% Daily Value
--	--------------------	---------------

Hawthorn ( <i>Crataegus oxyacantha</i> ) (berry)	1,050 mg	*
--	----------	---

\*Daily Value not established.

**Other Ingredients:** Vegetable Cellulose Capsule, Magnesium Stearate, and Rice Extract Blend.

**Discussion:** Hawthorn, also known as mayflower or may bush, is a dense, thorny shrub in the rose family. Native to northern climates, hawthorn is one of the oldest medicinal plants in Europe with a rich history. In Celtic folklore, hawthorn was believed to mend a broken heart and protect your home from evil spirits. Recent studies suggest that hawthorn may support cardiovascular function and help maintain normal, healthy blood pressure levels.<sup>‡</sup>
