Globe Artichoke (*Cynara scolymus*) contains cynarin (a caffeoylquinic acid derivative), sesquiterpene lactones, and flavonoids (scolymoside, inulin, cynaropictin and taraxasterol). This fresh plant extract is standardized at 5% cynarin.

**Suggested Usage:** As a dietary supplement, adults take 1 capsule daily between meals or as advised by your health care professional. If digestive irritation occurs, take with meals.

Stop use and consult your health care professional if allergic reactions occur. Caution: If pregnant or nursing, or if you have gallstones, consult your health care professional before using. Do not use if you have known allergies against artichokes or other composites, or if you have obstruction of the bile ducts.

**KEEP OUT OF REACH OF CHILDREN.**  
For optimal storage conditions, store in a cool, dry place.  
(59°-77°F/15°-25°C) (35-65% relative humidity) Tamper  
resistant package, do not use if outer seal is missing.
