

Directions: Take 1 softgel up to two times per day with meals.

Description: *CoQ10-H₂*[™] is the active, reduced form of CoQ10. Compared to ordinary CoQ10, it is substantially more bioavailable, producing higher, more sustained blood levels with smaller doses. *CoQ10-H₂* is also a superior antioxidant.*

Keep container tightly closed in a cool, dry and dark place. Keep out of reach of children.
