

Directions: Take 2 capsules with the morning meal. Additionally, 1 or 2 capsules may be taken at midday or as directed by your healthcare professional.

Description: *CortiTrophin*® is a blend of vitamins, amino acids, botanicals and adrenal concentrate designed to nourish the adrenal glands and support healthy blood sugar metabolism. This formula features adaptogenic herbs that support the hypothalamic-pituitary-adrenal ("HPA") axis, the portion of the neuroendocrine system that governs the stress response.*

Caution: If you have a medical condition, especially high blood pressure, or if you are taking blood thinners or other medication, or if you are pregnant or nursing, do not use this product without consulting a healthcare professional.

Keep container tightly closed in a cool, dry and dark place. Keep out of reach of children.
