Directions: Take 1 capsule up to three times every other day on an empty stomach or as directed by your healthcare professional.

Description: DMSA (dimercapto succinic acid) is a sulfhydryl-containing substance which binds efficiently to mercury, lead, cadmium and zinc. Use of a broad-spectrum mineral replacement formula like *Essential Minerals* or *Advanced Essential Minerals* is recommended when taking DMSA.*

Caution: DMSA is not recommended for use by pregnant or nursing women or children, unless under supervision of a healthcare professional. If nausea, vomiting or rash occur, decrease dosage or discontinue use.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

This product is manufactured in accordance with current Good Manufacturing Practices (GMP).
