

Directions: Take 2 capsules two times per day with meals.

Description: The intestinal tract forms an immune barrier between our body and the outside world. Maintaining the integrity of this barrier is essential for health. *GI Cell Support* helps maintain the integrity of the gastrointestinal (GI) tract with ingredients that nourish and soothe intestinal cells and help rejuvenate and maintain the mucosal barrier.*

Keep container tightly closed in a cool, dry and dark place. Keep out of reach of children.
