

Prescript-Assist is a next generation probiotic-prebiotic supplement comprised of 29 strains of beneficial soil-based microorganisms (SBOs) in a humic/fulvic acid complex. With more than 6 years of clinical development and testing, **Prescript-Assist** remains one of the most effective probiotic supplements for restoration of gastrointestinal microflora.*

Dosage: Take 1-2 capsules per day, or as directed by your healthcare professional.

Store tightly closed in a cool, dry place.
Do not use if outer seal is broken or damaged.

* These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.
