

Our Promise to You

Safe All strains used in Florajen have been clinically proven safe and are 100% U.S. manufactured in GMP certified facilities.

Effective Each refrigerated capsule contains over 20 billion live cultures to help restore balance to your intestinal or vaginal tract.

Affordable For less than the cost of a cup of yogurt, each Florajen capsule contains more than 10 times as much live probiotic culture.

Money Back Guarantee

We will refund your money if you are not completely satisfied with the effectiveness of Florajen.
