Anabolic-Pump™

GAIN MUSCLE. LOSE FAT.†

“The Genetic Equalizer”†

DIETARY SUPPLEMENT

10 Capsules

- ✓ Promote lean muscle tissue. †
- ✓ Promote body fat reduction. †
- ✓ Rapidly deliver nutrients **directly into muscle tissue.** †
- ✓ May inhibit fat cells from multiplying – by blocking GLUT4 in fat cells. †
- ✓ Enjoy **HUGE, skin-busting pumps all day long, even on off days...**Way better than anything ever produced, including NO-type products. †
- ✓ Promote 24/7 post-workout “Window of Opportunity” – **Potent round-the-clock nutrient-partitioning effect.** †
- ✓ None of the plant extracts or compounds in Anabolic-Pump™ are directly listed on the following lists†:

NCAA™ Banned-Drug Classes 2008-09
World Anti-doping Code Prohibited List 2009

†At the time of manufacture, the ingredients in Anabolic-Pump™ do not appear on these banned substance lists. However, even though the active ingredients in Anabolic-Pump™ are natural, USPlabs cannot be responsible for the addition of its ingredients to any banned lists. Therefore, it is up to the athlete to check with his or her organization to confirm these ingredients are allowed.

Directions: As a dietary supplement, for the first 7 days take 1 cap twice daily, 15-20 minutes before carbohydrate containing meals. Each dose should be spaced 6-8 hours apart. After day 7, take 1 capsule 3 times daily 15-20 minutes before carbohydrate containing meals, preferably with breakfast, lunch and dinner.
