WARNING: This product should not be used by women, anyone under 18 years of age, or people suffering from any medical conditions, including, but not limited to diabetes, prostate hypertrophy, heart disease, high blood pressure, psychological disorders, etc. Consult your physician before use. This product contains chemicals known to the State of California to cause birth defects or other reproductive harm. Do not use while pregnant, nursing or trying to become pregnant.

Store at 15°-30°C (59°-86°F)

Suggested Use: Take 2-3 tablets every day on a light to empty stomach. Cycle 8 weeks on and 2 weeks off (complete 2 bottles).

IMPORTANT INSTRUCTIONS

- Drink 2 full glasses of red grape or fruit juice within 1 hour after **every** workout to optimize insulin activity.
- Consume 1-2 grams (1000-2000 mg) of BCAAs (Branched-Chain Amino Acids) after every workout.
- Take 10-20 grams of creatine daily.
- Take L-glutamine after training and before bedtime.
