

ThreeLac[™]
Probiotic

DIETARY SUPPLEMENT

SUGGESTED USE: Adults and children take one to two packets a day to start. Empty the packet contents into your mouth and follow with a few ounces of water, or add powder to a few ounces of water and drink. If additional support is desired, you may build gradually to a higher number of packets. Amount needed may vary from person to person. Packets may be taken any time of day, with or without meals.

WARNING: KEEP OUT OF REACH OF CHILDREN. Do not use if packet is torn or damaged. Do not take while taking antibiotics. Pregnant or nursing mothers, if under medical care, or if you have a suppressed immune system, consult your health practitioner prior to use.

Store in a cool, dry location. Once packets are opened they should be used immediately.

Targeted Benefits of ThreeLac

- Promote a healthy immune system
- Control occasional digestive upsets
- Improve your overall digestive health
- Maintain intestinal flora essential for efficient digestion and assimilation of nutrients
