

PLANT-DERIVED FIBER SUPPLEMENT

Genesis Today's GenEssentials Fiber is a vigorous, plant-based, vegetarian supplement containing a dynamic arsenal of 7 grams of dietary fiber per serving. Utilizing 5 functional digestive blends that include prebiotics and probiotics, it supports digestive regularity with 7 different fiber types. GenEssentials Fiber is made with organic ingredients that include cold-milled flax seeds, oats, Noni fruit and leaf fibers, as well as herbs. These ingredients synergistically support efficient digestive processes and healthy gut microflora.*

ORGANIC INGREDIENTS

GenEssentials Fiber contains a blend of organic superfood fiber, herbs and other plant-based ingredients. GenEssentials Fiber is also psyllium-free, GMO-free, soy-free and lactose-free.*

THE GenEssentials™ PROGRAM

Genesis Today's GenEssentials Fiber is one of several supplements in Genesis Today's GenEssentials plant-based nutrition line. This is part of Genesis Today's healthy lifestyle program. Each of Genesis Today's GenEssentials supplements is designed to work synergistically to help support your health and wellbeing. Genesis Today's GenEssentials Fiber can be conveniently mixed with water or your favorite juice to support healthy digestion and regularity.*
