Doctor-formulated MotilityBoost™ is designed to be taken in conjunction with FertilAid® for Men to help improve sperm motility.*

Motility Boost™ was formulated on the basis of established scientific literature to enhance male fertility safely and naturally as part of a healthy lifestyle.

A comprehensive formula containing key antioxidants, vitamins, amino acids, and botanicals are combined to help men diagnosed with low sperm motility.* Ingredients such as CoQ10, n-acetyl-cysteine, l-arginine, and l-carnitine have been shown in numerous studies to help enhance sperm motility.

Recommended Use: As a dietary supplement, take 2 capsules daily in divided doses with meals.
