†Percent Daily Value based on a 2,000 calorie diet.
*Daily Value not established.

Other Ingredients: Gelatin (fish), glycerin, water, orange oil and mixed tocopherols (natural vitamin E).

Discussion: PFO[®] Pure Fish Oil is an innovative, first-of-its-kind fish oil supplement, produced from molecularly distilled deep sea cold water fish body oil. Our product is flavored with natural orange oil and encapsulated in fish gelatin. PFO[®] Pure Fish Oil provides omega-3 in a naturally balanced blend of EPA and DHA and is intended to provide nutritive support for a healthy cardiovascular system.

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. (See nutrition information for total fat, saturated fat and cholesterol content.)

Rigorously **quality** tested to guarantee **purity, potency** and **truth-in-labeling**. Third-party tested for contaminants such as mercury, lead, cadmium, arsenic, PCBs, dioxins and furans.
