PURE BCAA 2:1:1 INSTANT GRADE POWDER

• No added fillers • No flow agents • No driers • No other ingredients

Ingredients: BCAA Instant Grade 2:1:1 Powder.

Suggested Use: The suggested dosage for BCAA is from 5 to 20 grams per day with most performance athletes taking between 10 and 20 grams per day. Split the dosage into mornings and evenings. Mix the powder into water, juice, smoothies or a protein shake for best results. As with all our powders, a micro scale is strongly recommended for proper dosage.

Storage: Store in a cool & dry place. Keep away from strong light & heat.

Disclaimer: These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

WARNING: A scale is required for accurate measurements. Keep away from children. Do not take this or any other supplement if you are pregnant or nursing. Do not take if you have high blood pressure or any medical complications. Always consult with your physician before taking any new dietary supplements.

Expiration date on back of pouch.
