

EXTRA STRENGTH 500MG

**CERTIFIED AUTHENTIC,
PATENTED and CLINICALLY
TESTED *Irvingia Gabonesis***

IGOB-131® *Irvingia gabonensis* seed extract is the only certified authentic and patented material supported by published clinical university studies. Julius Oben, Ph.D., University of Yaoundé I, Yaoundé, Cameroon, discovered the unique properties of the IGOB-131® through randomized, double blind, placebo-controlled investigations.

Our African Mango strictly uses 100% authentic IGOB-131® material and does not contain any other non-authentic African Mango sources.
