

**PRODUCT BENEFITS:** Evening Primrose Oil is one of nature's most abundant sources of the important unsaturated fatty acid, Gamma-Linolenic Acid (GLA). Gamma-Linolenic Acid is a precursor to prostaglandins, action-specific biomolecules that regulate many important functions in cells.\* This product is 100% solvent free, cold-processed, and is void of Hexane and all other solvent residue.

**Directions:** For adults, take one (1) softgel three to six times daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

\*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
