

**PRODUCT BENEFITS:** This powerful formula combines popular ingredients for joint health — Glucosamine, Chondroitin and MSM.\* Studies indicate that Glucosamine provides the building blocks for constructing cartilage while Chondroitin helps to maintain joint cartilage.\* MSM is an organic source of sulfur, a mineral that is vital in the formation of collagen, connective tissue and healthy joint cartilage.\* PhysioLogics' superior joint formula is especially good for anyone seeking joint and connective tissue support.\*

**Directions:** For adults, take three (3) tablets daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
