

PRODUCT BENEFITS: Ginkgo biloba is the most scientifically researched plant extract for the nutritional support of cerebral function.* Ginkgo leaf extracts augment the vasoregulating activity of arteries, capillaries, and veins to maintain healthy circulation to the brain and extremities.* Enhanced cerebral circulation improves intellectual functions such as concentration, memory, and alertness.*

Directions: For adults, take one (1) capsule twice daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
