

PRODUCT BENEFITS: Ginkgo has the ability to promote circulatory perfusion, particularly in cerebral tissue.* Ginkgo is neurosupportive, promotes cognition and memory function, and is good for occasional mild memory problems associated with aging.* In addition, Ginkgo contains antioxidant properties that help fight free radicals in the body.*

Directions: For adults, take one (1) capsule three times daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
