

PRODUCT BENEFITS: Hyaluronic Acid is a polymer made of repeating units of glucuronic acid and N-acetylglucosamine.* The glucuronic acid and N-acetylglucosamine within Hyaluronic Acid are connected through Beta 1-3 and Beta 1-4 linkages.* Hyaluronic Acid is found in all the connective tissues of the body, including the ligaments and tendons, where it plays a role in lubrication.*

Directions: For adults, take one (1) to four (4) capsules daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
