

PRODUCT BENEFITS: Inositol Hexaphosphate is derived from rice bran. Inositol is an essential component of cell membranes and plays an important role in cell growth and function.*

Directions: For adults, take two (2) capsules twice daily, between or before meals. Best taken on an empty stomach or follow the advice of your health care professional. IP6 can interfere with mineral absorption and should be taken at a different time than other supplements. As a reminder, discuss the supplements and medications you take with your health care providers.
