THE HIMALAYAN HAPPY BERRY

Often called the "happy berry", the goji berry thrives in Asia, and has been revered by its people for centuries. Our Organic Total Goji 100™ is made from fresh, whole goji berries including the skin, meat, seeds and seed oil. It also contains the absolute highest levels of naturally occurring organic elements: LbGp1-5 (Lycium Barbarum Glycoconjugate Polysaccharides 1-5) Carotenoids like Beta-Carotene & Zeaxanthin, Amino Acids, Trace Minerals, Vitamins, Essential Fatty Acids, Betaine, and more!

PURE, WILD-HARVESTED & ORGANIC

What makes our supplements so unique? We have only one ingredient: "100% pure superfruit." Each superfruit supplement is 100% pure superfruit juice derived entirely from the fruit, processed by traditional methods used in each country of origin. There are no additives or fillers, and we never dilute our supplements with water or fruit juices. They're simply 100% pure, wild-harvested superfruits from Genesis Today's Superfood Farms. This product is certified kosher, vegan and contains absolutely no gluten, wheat, dairy, corn, or soy!
