

PRODUCT BENEFITS: This formula contains Glucosamine Sulfate and Chondroitin Sulfate, the same popular joint support ingredients backed by scientific research.* By providing key structural components in cartilage, Joint Softgel Formula plays an important role in the maintenance of joint cartilage and promotes range of motion.*

Directions: For adults, take three (3) softgels daily, preferably one (1) softgel with each meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

TAMPER RESISTANT: Do not use if seal under cap is broken or missing.
KEEP OUT OF REACH OF CHILDREN.
Store in a dry place and avoid excessive heat.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
