Description:

OXOTRIM's proprietary formula is very effective because it targets all aspects of slimming. OXOTRIM® is safe and natural and will help you boost your metabolism and suppress your appetite.†

The OXOTRIM® formula contains many key ingredients that promote weight loss. One of the key ingredients in OXOTRIM® is 7-Keto®. 7-Keto® is a non-stimulant, thermogenic agent that is clinically proven to increase metabolism and promote healthy weight loss. When added to a moderate diet and exercise program, 7-Keto® accelerates weight loss by a factor of 3! It is backed by 5 clinical trials that support its effectiveness for weight management. With a sensible diet and regular exercise, the OXOTRIM® formula accelerates the loss of body fat while maintaining muscle tissue integrity.†

Suggested Use:

As a dietary supplement, for best results, take 3 tablets once daily.
